Overview

- Home and Community-Based (waiver) services should:
 - Protect your rights as an individual
 - Take place in an integrated setting
 - Give you access to your community
 - Focus on what your goals are
 - Provide you with choices
- Two primary areas of change:
 - Person-centered planning
 - HCB settings requirements (day and residential settings where you receive your services)

- Where we need your help:
 - We need your feedback on the places where you receive services
 - What do you think about your day program?
 - What do you think about your adult day health care?
 - What do you think about where you live?
 - We need your peers' feedback on the places where they receive services (local contacts)
